**Proof of Times**

Swimmers who enter state championship meets must have achieved a time equal to or faster than the qualifying standard for each event entered as shown in "Qualifying Times". The final results for each event will be reviewed by the Age Group Chairman of Georgia Swimming to determine each swimmer's eligibility for this meet. If a swimmer fails to achieve the qualifying standard at this meet and cannot prove that he/she achieved the qualifying standard before the entry deadline during the eligibility period (starting on the 1<sup>st</sup> day of the month 15 months prior to this meet, until the entry deadline), then Georgia Swimming, Inc. will invoke a fine of \$50.00 against the team of said swimmer, or against the swimmer if unattached, for each non-qualifying time. The SWIMS database will be the sole source document used to verify proof of time for this meet. Failure to pay in the manner prescribed by Georgia Swimming, Inc. will result in the barring of said team/individual from participating in the next (and all subsequent) state championship meets until such time as the fine is paid in full. Make checks payable to "Georgia Swimming". Proof of times is not required for relays.

**Scoring**

- Individual events will be scored to 10 places for 10&U, 11year olds, and 12year olds, and to 20 places for the 13-14 age group; Relays will score to 20 places. Swimmers and relays that do not achieve the meet qualifying time in an event cannot score points in that event.

### Coaches

Coaches must sign in with the Clerk of Course and show their current USA Swimming coach's registration card. All coaches planning to be on the pool deck must have a valid coach's card from their LSC. Any coach not having current certification will be barred from the pool deck; no exceptions will be made. Copies of the certification, faxes, and letters stating CPR/First Aid/STFSC are up to date will not be considered. Coaches must display their credentials while on the pool deck and in hospitality.

### Meeting

A coaches' meeting will be held Thursday, at 2:45 PM, to cover topics pertaining the Thursday session. There will be a mandatory coaches' meeting on Friday, July 15, at 6:45 AM. At least one coach from each team is requested to attend since coaches are responsible for any and all information discussed and disseminated at the meeting. Subsequent meetings will be arranged if needed. Coaches arriving late should check-in with the Clerk of Course upon arrival.

### Time Trials

- Time trials will be offered at the discretion of the meet manager to swimmers already entered in the meet. Time trial events count against the swimmer's entry limit total per day at the meet. Swimmers must sign up for time trial events with the clerk of course by 10:00 AM of the day on which they will be contested. Events may be combined.
- Time Trials, if offered, will only be offered once a day (there will be no time trials on Thursday). The schedule will be determined after the proposed timeline is developed and the entry process is completed.
- The 800 Free Relay will be offered as a time trial event for teams looking to set national ranking times and and/or state records. Interested coaches should contact the meet referee on the first day of the meet to determine possible time based on meet timelines. If necessary, this time trial event might be run after the end of finals.
- Time trials shall be swum in the order listed under the meet program as follows: Thursday = A, Friday = B, Saturday = C, Sunday = D  
     Friday Time Trials: B-C-D-A, Saturday Time Trials: C-D-A-B, Sunday Time Trials: D-A-B-C

### Seeding

- All events will be pre-seeded with the exception of the 400, 800, and 1500 Free, and the 400 IM. These events will require a positive check-in at the Clerk of Course according to the times shown under "Check-in".
- Any swimmers entered with "NT" will be seeded with the qualifying time for that event.
- Any swimmer entering the 800 Free based on their qualifying time in 1500 Free or vice-versa will be seeded with the minimum qualifying time for the event they are swimming.

### Disabled Swimmers

- Coaches for teams that have disabled swimmers competing must notify the Meet Referee at the coaches' meeting.
- Disabled swimmers are eligible to compete in the following events: 50 and 100 Free, Breast, Back, and Fly (they will swim the 50s during the able-body 100s of same stroke, and 100s during the 200s); the 200 Free will be offered during the able-body 400 Free, and the 200IM during the 400IM. The swimmers will swim in their correct age groups.
- All disabled swimmers must meet the "Can-Am" Qualifying Time in their classification to participate in the meet. Time standards for qualifying are on the U.S. Paralympics website (<http://www.teamusa.org/US-Paralympics/Sports/Swimming/Events>). For information on disabled classification contact Glenda Orth ([glenda.orth@comcast.net](mailto:glenda.orth@comcast.net))
- Teams need to identify their disabled swimmers and any special seeding requirements during their entry submission.

### Georgia Scratch Rule

The Georgia Scratch Rule adopted April 18, 2010 and revised on September 12, 2015 will be in effect for all events and is attached.

### Heat Sheets

Each team will receive one heat sheet for every coach listed on their proof of entry form provided they check-in at the Clerk of Course and present their current USA Swimming membership card. The number of coaches may not exceed the number of swimmers in the meet from that team.

### Supervision

A current coach member of USA Swimming must supervise each swimmer participating in this meet during warm -up and competition. An athlete not escorted by a current coach member must check-in with the Meet Referee upon arrival at the meet and notify said Referee who their supervising coach will be.

### Officials

- Gwinnett Aquatics (GA-GA) welcomes visiting officials and appreciates their help in conducting this event.

- Officials and apprentices must sign in with the Meet Referee (or designee) and **show their current LSC certification card and proof of 2016 USA Swimming membership** prior to the required officials' meeting, which will be held approximately one hour before the start of each session.
- Officials or apprentices requesting certain positions may contact the Meet Referee as early as possible prior to the meet. Note that apprenticing as a Starter will not be allowed at this meet.
- All officials planning to be on the pool deck must have a valid official's card from their LSC.
- For all preliminary sessions, the uniform for all officials is white collared shirt, navy blue slacks or shorts (or skirts for women), and white tennis/deck shoes. For all finals sessions, the uniform shall be the same as for the preliminary sessions except shorts are not allowed.
- Officials must display their credentials while on the pool deck and in hospitality.

**Zone Selection: Georgia Zone Team**

- Members for the Georgia Zone Team for the 11-12 and 13-14 age groups will be selected at this meet.
- Each person to be considered must electronically submit a Zone Application Form prior to the meet and send a deposit to the zone manager. The form, and all information, will be made available on the Georgia Swimming website, [www.gaswim.org](http://www.gaswim.org).
- Swimmers do NOT need to be entered in the age group in which they would compete at the Zone competition. Example. A swimmer who is 12 at the state meet but will be 13 at Zone's can compete in the 12 age group events and still be eligible for Zone selection as a 13-14 swimmer. The zone team will be selected using the following process:
  1. There will be eight (8) swimmers selected for each of the 11-12 girls, 11-12 boys, 13-14 girls and 13-14 boys age groups. There will also be six (6) disabled athletes selected to the team: 3 males and 3 females.
  2. The swimmers who post the fastest times in finals in the 100 Free, 100 Back, 100 Breast and 100 Fly for each age group will be selected as automatic qualifiers. In the event that the fastest swimmer is not eligible for Zone selection, the next fastest swimmer that is eligible for Zone Team selection will earn the automatic position. It is possible for multiple 100's to be won by a single individual. In this case, the 2nd place individual is not an automatic qualifier but would earn 2nd place points towards the at-large selection process.
  3. The remaining spots for each age group will be determined by individual scoring based on their ranking among the other applicants using the times achieved in finals, or in prelims if they did not qualify for finals. Any swimmer who scratches finals in an event will not be scored in that event. All events will be scored. The six (6) highest placing swims will be scored for all eligible athletes. In the event of a tie, the highest individual finish in any event shall determine the winner. This process will be repeated until the tie is broken.

**Parents and Spectators**

Parents and spectators are not allowed on the pool deck or in areas designated for coaches and officials, unless serving in a volunteer capacity.

**Liability**

USA Swimming, Inc., Georgia Swimming, Inc., and Gwinnett Aquatics shall be free from any liability or claims arising by reason of injury to anyone during the conduct of the meet. The attached 'Entry Summary and Liability Release Form' must be completed, signed and accompany each entry.

**Volunteers**

Any person or group wishing to volunteer should contact the Meet Director, Hugh Convery, at [hugh@gwinnettaquatics.com](mailto:hugh@gwinnettaquatics.com)

**Concessions**

There will be concessions for purchase.

## GEORGIA SWIMMING INC.

### SCRATCH RULE

The Scratch Rule to be used in all Georgia LSC sanctioned meets where the meet format includes preliminary heats, consolation finals and finals, is the "Scratch Rule" as found under "Administrative Conduct of USA Swimming Championships", subsection "Scratch Procedures", subsections "Scratching from finals" and "Exceptions for failure to compete", of the current "USA Swimming Rules and Regulations". An excerpt is provided below. The following Georgia LSC additions listed below apply to all timed final meets as well as all preliminary/finals meets.

Scratching from finals:

- (1) Any swimmer qualifying for a C, B, or A (bonus and consolation final or) final race in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet, except as noted in paragraph E. A declared false start under 101.1.3F or deliberate delay of meet under 101.1.5 is not permitted and will be regarded as a failure to compete.
- (2) In the event of withdrawal or barring of a swimmer from competition the Referee shall fill the C, B, or A (bonus and consolation final or) final, when possible, with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These alternates shall not be penalized if unavailable to compete in the finals.
- (3) Where C and B (bonus and consolation) finals have not been swum and a barring or withdrawal is known to the Referee, the Referee shall reseed the C, B, or A (bonus final, consolation final and the) final, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final.
- (4) If the C or B (bonus and consolation) final has already been contested, the (championship) final shall be swum without reseeding for the empty lane(s).

Exceptions for failure to compete:

No penalty shall apply for failure to withdraw or compete in an individual event if:

- (1) The Referee is notified in the event of illness or injury and accepts the proof thereof.
- (2) A swimmer qualifying for a C, B or A (bonus or consolation final or) final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
- (3) It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer."

Georgia LSC Additions:

***Unless otherwise stated in the final sanctioned Meet Information:***

1. Swimmers that qualify for **any** final heats as announced in the meet information will also be subject to these rules.
2. In all deck seeded events <sup>(1)</sup>, a swimmer who has been checked in either personally or by a team coach, has been seeded and then fails to compete in said event, shall be barred from his or her next individual event, except as noted in “Exceptions for failure to compete” above. This rule also applies only to timed-finals meet events where the meet management has placed limits on the number of heats to be contested or the number of individual entries to be accepted for a particular deck-seeded event as specifically stated in the meet information.
3. There is no scratch rule governing relays and there is no penalty regarding relay scratches.
4. Qualifiers for all finals heats are those as identified on the originally posted results of the preliminary heats. Any qualifier who has moved up into this group as a result of the posting of corrected preliminary results after original results have been posted shall not be subject to penalty.
5. The meet official designated to receive initial intentions not to compete and final intentions shall be announced at the beginning of each session. It is suggested that this official be the Clerk of Course.
6. On the final day of “**LSC Championship**” competitions, any swimmer who has checked in for finals and fails to compete will be assessed a \$50 fine. This fine must be paid before the next LSC Championship meet in which the swimmer intends to compete or the swimmer will be barred from competition.
7. A “Positive check-in procedure” shall be used for all deck seeded events. A swimmer’s intent to swim a race shall be denoted by the **swimmer’s or swimmer’s coach’s** initials entered next to the swimmers’ names on the official entry sheet posted at the Clerk of Course. Failure to check in shall be considered to indicate that the swimmer **will not compete**.
8. In cases where changes to the USAS rules cause conflict with the Georgia LSC additions, USAS rules shall take precedence.

<sup>(1)</sup> Interpretation: The change clarifies the intent of the rule. If there are no limits placed on the number of swimmers in the deck seeded event –then there is no penalty for a no-show in that event; given that no swimmer was impacted by the no-show and everyone that wanted to swim got to swim. If a limit is placed on a deck seeded event (e.g. the fastest 30 swimmers), then a no-show could cause the exclusion of the 31<sup>st</sup> fastest swimmer from competing and would result in a penalty against the no-show swimmer.
