The SWIMS database will be the sole source document used to verify proof of time for this meet. Failure to pay in the manner prescribed by Georgia Swimming, Inc. will result in the barring of said team/individual from participating in the next (and all subsequent) state championship meets until such time as the fine is paid in full. Proof of times is not required for relays.

Zone Selection: Georgia Zone Team _____ (amended 8/26/17)

- Members for the Georgia Zone Team for the 11-12 and 13-14 age groups will be selected at this meet.
- To be considered, athletes must electronically submit a Zone Application Form prior to the meet and pay the application fee. The form, and all information, will be made available on the Georgia Swimming website, www.gaswim.org.
- The zone team will be selected using the following process:
 1. There will be eight (8) swimmers selected for each of the 11-12 girls, 11-12 boys, 13-14 girls and 13-14 boys age groups. There will also be six (6) disabled athletes selected to the team: 3 males and 3 females.
 2. The swimmers who finish the meet in the highest ranking amongst those who have applied for the team in the 100 Free, 100 Back, 100 Breast and 100 Fly for each age group will be selected as automatic qualifiers. In the case of a tie between two or more applicants in finals for the highest spot in one of those events, the automatic spot on the Zone Team will be given to the swimmer who had the fastest time in Prelims. It is possible for multiple 100's to be won by a single individual. In this case, the 2nd place individual is not an automatic qualifier but would earn 2nd place points towards the at-large selection process. After the automatic qualifiers, the remaining spots will be scored to 10th place (11, 9, 8, 7, 6, 5, 4, 3, 2, 1)
 3. The remaining spots for each age group will be determined by individual scoring based on their ranking among the other applicants using the final ranking of those swimmers in the meet. Any swimmer who scratches finals in an event will not be scored in that event. All events will be scored to 10th place amongst the swimmers who have applied for the team. The 6 (six) highest placing swims will be considered for all eligible athletes (other swims will be discarded). In the event of a tie, the highest individual finish in any event shall determine the winner. This process will be repeated until the tie is broken.

Liability

In granting this sanction it is understood and agreed that USA Swimming, Inc. shall be free and held harmless from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event. It is further understood that, Georgia Swimming, Inc., and Gwinnett Aquatics shall be free from any liability or claims arising by reason of injury to anyone during the conduct of the meet. The attached 'Entry Summary and Liability Release Form' must be completed, signed and accompany each entry.

Reminder about Awards

Team awards will be announced following the conclusion of the last day's Finals session. Teams should pick up any remaining individual and team awards as those will NOT be mailed.

SCRATCH RULE

The Scratch Rule to be used in all Georgia LSC sanctioned meets where the meet format includes preliminary heats, consolation finals and finals, is the "Scratch Rule" as found under "Administrative Conduct of USA Swimming Championships", subsection "Scratch Procedures", subsections "Scratching from finals" and "Exceptions for failure to compete", of the current "USA Swimming Rules and Regulations". An excerpt is provided below. The following Georgia LSC additions listed below apply to all timed final meets as well as all preliminary/finals meets.

Scratching from finals:

- (1) Any swimmer qualifying for a C, B, or A (bonus and consolation final or) final race in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet, except as noted in paragraph E. A declared false start under 101.1.3F or deliberate delay of meet under 101.1.5 is not permitted and will be regarded as a failure to compete.
- (2) In the event of withdrawal or barring of a swimmer from competition the Referee shall fill the C, B, or A (bonus and consolation final or) final, when possible, with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These alternates shall not be penalized if unavailable to compete in the finals.
- (3) Where C and B (bonus and consolation) finals have not been swum and a barring or withdrawal is known to the Referee, the Referee shall reseed the C, B, or A (bonus final, consolation final and the) final, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final.
- (4) If the C or B (bonus and consolation) final has already been contested, the (championship) final shall be swum without reseeding for the empty lane(s).

Exceptions for failure to compete:

No penalty shall apply for failure to withdraw or compete in an individual event if:

- (1) The Referee is notified in the event of illness or injury and accepts the proof thereof.
- (2) A swimmer qualifying for a C, B or A (bonus or consolation final or) final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
- (3) It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer."

Georgia LSC Additions:

Unless otherwise stated in the final sanctioned Meet Information:

1. Swimmers that qualify for **any** final heats as announced in the meet information will also be subject to these rules.
2. In all deck seeded events ⁽¹⁾, a swimmer who has been checked in either personally or by a team coach, has been seeded and then fails to compete in said event, shall be barred from his or her next individual event, except as noted in “Exceptions for failure to compete” above. This rule also applies only to timed-finals meet events where the meet management has placed limits on the number of heats to be contested or the number of individual entries to be accepted for a particular deck-seeded event as specifically stated in the meet information.
3. There is no scratch rule governing relays and there is no penalty regarding relay scratches.
4. Qualifiers for all finals heats are those as identified on the originally posted results of the preliminary heats. Any qualifier who has moved up into this group as a result of the posting of corrected preliminary results after original results have been posted shall not be subject to penalty.
5. The meet official designated to receive initial intentions not to compete and final intentions shall be announced at the beginning of each session. It is suggested that this official be the Clerk of Course.
6. On the final day of “**LSC Championship**” competitions, any swimmer who has checked in for finals and fails to compete will be assessed a \$50 fine. This fine must be paid before the next LSC Championship meet in which the swimmer intends to compete or the swimmer will be barred from competition.
7. A “Positive check-in procedure” shall be used for all deck seeded events. A swimmer’s intent to swim a race shall be denoted by the **swimmer’s or swimmer’s coach’s** initials entered next to the swimmers’ names on the official entry sheet posted at the Clerk of Course. Failure to check in shall be considered to indicate that the swimmer **will not compete**.
8. In cases where changes to the USAS rules cause conflict with the Georgia LSC additions, USAS rules shall take precedence.

⁽¹⁾ Interpretation: The change clarifies the intent of the rule. If there are no limits placed on the number of swimmers in the deck seeded event –then there is no penalty for a no-show in that event; given that no swimmer was impacted by the no-show and everyone that wanted to swim got to swim. If a limit is placed on a deck seeded event (e.g. the fastest 30 swimmers), then a no-show could cause the exclusion of the 31st fastest swimmer from competing and would result in a penalty against the no-show swimmer.
