

Parents and swimmers,

Attached you will find a list with our tentative 11-14 relays for the 14&U State Champs. With the meet being at GA Tech again, we are planning on taking relay-only swimmers to fill spots on those relays we are competitive enough to score at the meet - and it seems this year we are deep enough to even have a couple "B" relays!

This is always a great opportunity for those swimmers to experience the 14&U State meet first-hand, and learn from warming up, watching, and racing against the fastest swimmers in the state. In addition, relays are a great source of team pride, so being invited to be in a relay at our most competitive meet of the season is a great honor!

Relay spots will be assigned taking into consideration best times, recent performances (including relay splits), and practice attendance and performance (which usually leads to greater time drops). Please note that there might be changes following the GA Qualifier, based on performance there. You can also find the time relay-only swimmers will be expected to be at Tech for each relay on that list

If your swimmer's name is on the list, please reply to this e-mail by Monday, Feb 5th, to let me know if your swimmer is available. I will update everyone in the next couple weeks in case there are any changes, so that everyone knows when they are expected to be at the meet. Also, please let me know if you have any questions.

Thanks,
Lucas

Note: individual qualifiers, should also [go ahead and commit to the meet online!](#)
The deadline for doing so is tomorrow Thursday, Feb 1st!
