To Whom It May Concern:

Gwinnett Aquatics is a non-profit USA Swimming member club in Snellville Georgia with approximately 80 member families that provides aquatic instruction and training to over 300 children and adults annually.

To help us to provide our programming to a diverse population at a reasonable price we seek sponsors at various levels for the team or individual events. These sponsors receive recognition in all publications associated with the events they help underwrite.

On May 15-16, 2010 Gwinnett Aquatics will be hosting a Long Course swim meet at Rock Chapel YMCA for over 400 participants from teams throughout the metro area. Please help support our team by purchasing an ad in our program/heat sheet or consider becoming a meet sponsor. Opportunities are also available for team sponsorship and for future swim meets.

What is the program/heat sheet?

The program/heat sheet lists all the races and swimmers in each event.

Why does advertising in a heat sheet benefit my business or me?

Almost every family that participates in the swim meet will see your ad. People come from many different areas to participate in swim meets. These families may use the services that you provide while they are here. Gwinnett Aquatic families will also make a special effort to support your business.
